

Taylor Swift

Hand Signed Guitar

This acoustic guitar features an authentic Taylor Swift signature on the pickguard.

The signature is authenticated by James Spence (JSA), PSA, ACOA, or Beckett.

Important Information

Acoustic guitar measures approximately 38" in length and has been hand-signed on a CD cover that has been repurposed as a pick-guard by Taylor Swift.

This guitar is a display guitar and is not the same quality as one that a musician would play.

The autograph includes an official hologram and/or paper certificate of authenticity from JSA, PSA, ACOA, or Beckett for authenticity purposes.

The guitar that you receive will may not be the same color or feature identical graphics to the one that is pictured.

Guitars are shipped within 15 business days of receipt of payment.
